

Ingredients:

- 1 box Duncan Hines lemon cake mix
- 3 ounce box lemon Jello
- 3/4 cup hot water
- 3/4 cup cooking oil
- 4 eggs
- 3/4 cup sugar
- large can frozen Minute Maid lemonade (thawed)

Instructions:

First, preheat your oven to 325*.

Mix sugar and lemonade and set aside. Do not mix with cake batter.

Mix Jello with hot water and let cool. Then mix with all remaining ingredients until well combined together.

Pour into a tube pan that has been well greased and lined with parchment paper that has also been greased.

Bake at 325* for one hour. Remove cake from oven. Pour the lemonade and sugar mixture over the cake.

Turn off the oven and return cake to the oven for one hour. Then take cake out of oven and let cool.

This cake turns out extremely moist.
